

Hot – Home learning all week

YOU SHOULD ONLY BE COMPLETING THIS WORK IF YOU ARE IN MISS ALI'S MATHS GROUP.

EVERYONE ELSE SHOULD COMPLETE THE MATHS, ENGLISH AND CURRICULUM PPTS ABOVE.

Monday

25.01.21

Maths – Comparing money

Do these have the same value?

Tick if they do and
Cross if they don't

£6 and 43p

£4 and 63p

This is Ron and Rosey's
Money boxes.

Who do you think has more money?
Why?

I have £40 and 12p
saved in my bank

I have £28 and 88p
saved in my bank

Who has the greater value of money?
How do you know?

I have
£ p
saved in my bank

>

I have
£9 and 99p
saved in my bank

Laila and Majnu have money in their Banks. Laila has £9.99 in her bank but the greater than sign shows us that Majnu has more money. What could Majnu's bank balance be?

Reading – What would you see at a circus?

At a Circus you would see a giant tent called the **Big Top**. Inside you will find lots of seats facing the **Circus Ring**.

At a Circus you would see a **Ring Master**.

He wears a top hat and tells you who is going to perform next.

At a Circus you would see **Acrobats**. They perform from swings high up in the air. This can be very scary to watch.

At a Circus you would see **Clowns**. They are men and women dressed up. They do funny things and fall over a lot!

At a Circus you might see **Animals**. Acrobats sometimes perform on the backs of galloping ponies.

At a Circus you might see a **Human Cannonball**. This is a man who is fired from a cannon and lands in a net.

Section A

Circle the best word to match the writing.

Inside the Big Top are lots of seats facing the

1 **circle.** **middle.** **ring.** **show.**

The ring master wears a

2 **scarf.** **cloak.** **top hat.** **flat cap.**

He tells you who is going to

3 **appear.** **perform.** **sing.** **dance.**

It can be very scary to watch the

4 **acrobats.** **clowns.** **animals.**

The Human Cannonball is fired from a

5 **gun** **cannon** **spring** **catapult**

and lands in a net.

1. The acrobats perform from high...

slides

roundabouts

swings

see-saws

2. Clowns try to make people...

cry

weep

sleep

laugh

3. Acrobats sometimes perform on the backs of...

lions

tigers

ponies

seals

4. What is a 'Big Top'?

Writing

You are the organiser of a circus. You have designed your own Big top circus tent.

Describe how amazing your Big top is. Here are some examples below.

Wellbeing activity

Fill in the shapes with as many positives you can think of.
E.g. "I am brave, kind, caring..."

I AM

I HAVE

Tuesday

On the next few slides you will see a link for your class assembly. Find your class then follow the link.

6A Class Assembly

Follow the YouTube link for this week's class assembly with Miss Ramsden

<https://youtu.be/J0clY9pTmHo>

Flowers bloom second by second,
As the trees froze as still as ice,
And the petals fall as light as a feather,
Softly landing on the dark short grass,
Allowing insects to slide through,
Beside the colourful landscape,
Stood the tall rocky mountain,
Still as a statue,
Calmly sitting on soft mud,
Next to the spiky grass,
Able to be spotted from far away,
As the glorious ~~vibrant~~ colours,
Filled the magnificent view,

Superstar work
of the week!

6B Class Assembly

<https://youtu.be/txCwTJa3w9c>

**BE PROUD
OF YOURSELF
FOR HOW
HARD YOU'RE
TRYING.**

Setting description

As I peeked over the rock, I saw something exhilarating
~~as~~ an enchanted forest. Down by the wavy stream,
on the ground was ~~e~~ covered in moss like a thick,
green carpet, huge, grey boulders ~~se~~ slept silently.
Above them, trees, which wrapped around in vines,
Sunshine shining in ur eyes - which is blinding. Blooming
* flowers danced in the cold breeze, ^{overhead} as the birds
sang their serene melodies. ^{as the birds and twirled in the}
* ~~fragrant~~ ^{azure, blue sky.}
• which smelt of sweet honey,
- I felt as tho this magical place was luring me
in with its entrancing charm and captivating sights.

6B you have completed
some amazing work!

6C Class Assembly

Follow the YouTube link for this week's class assembly with Miss Quinn

https://youtu.be/BKh4H2_oXI0

Look at some of the fantastic work from 6C this week!

Snowmen (and Queen!) made by Umar, Siti and Rameen

As I peered over the rock, I could not believe my eyes when I saw something spectacular - an enchanting, stunning forest. Above me, dancing trees swayed in the cool breeze as flowers bloom out one by one with vivid, shiny colours. Below the canopy of trees, huge boulders sleep silently beside the snoring stream which was gilled with strange, peculiar creatures. I felt as though ~~as~~ I was in a dream - floating. I felt happiness in my heart that no one could take away from me and the view I saw was breath taking.

English

Monday
Working stations as always

1) $23.02 + 192.2 = 215.22$
2) $52.1 + 2.912$
3) $0.023 + 34 = 34.023$
4) $6248 + 1807 = 8055$
5) $83.2 - 21.32 = 61.88$
6) $12.00 - 3.42 = 8.58$
7) $10 - 3.34 = 6.66$
8) $7.87 = 5.88$

$0.2 = \frac{2}{10} = \frac{1}{5}$ $0.3 = \frac{3}{10} = \frac{3}{10}$
 $0.4 = \frac{4}{10} = \frac{2}{5}$ $0.09 = \frac{9}{100}$
 $0.5 = \frac{5}{10} = \frac{1}{2}$ $0.6 = \frac{6}{10}$
 $0.54 = \frac{54}{100} = \frac{27}{50}$ $21 = \frac{42}{2} = 0.42$
 $0.6 = \frac{6}{10} = \frac{3}{5}$ $50/100$

Musa - Maths

Monday
Dividing by 10, 100 and 1000

1) $44 \div 10 = 4.4$
2) $107 \div 100 = 1.07$
3) $62 \div 10 = 6.2$
4) $5.7 \div 100 = 0.057$
5) $3.6 \div 100 = 0.036$
6) $98.31 \div 10 = 9.831$
7) $23.8 \div 1000 = 0.0238$
8) $343.1 \div 1000 = 0.3431$
9) $2.89 \div 100 = 0.0289$
10) $12.05 \div 100 = 0.1205$
11) $5.55 \div 10 = 0.55$

Zia - Maths

Maths – Find the total

$$1) 20 + 50 = 70$$

$$2) 24 + 24$$

$$3) 23 + 35 + 24$$

Maths : Find the difference

Which coin has the greater value?

One has been done for you.

1)

2)

3)

Ron and Whitney are playing spot the difference.

What is the difference?

Have a
think

Dora and Teddy go to the shop.

90p

Use subtraction to help you.

Remember that the larger number goes on top.

50p

← ? →

$90 - 50 = 40$ or you can
Start at 50 and count up in tens
until you get to 90.

The difference is 40

What is the difference in price?

Dora and Teddy go to the shop.

68p

84p

What is the difference in price?

Jack and Whitney are counting money.

Who has more, and how much more do they have?

Dora

£5 and 23p

Jack

£6 and 48p

Whitney

£2 and 2p

Who has the most money?

How much more does Dora have than Whitney?

How much more does Jack have than Dora?

THE CIRCUS

Reading

Darkness falls.

Inside the big top, up high,
The acrobat sparkling,
Slowly steps across the high wire.
The clowns, red, green, yellow, blue,
Tumble across the ring,
Laughter rings out.
We gasp at jugglers,
Brightly coloured balls,
Shoot into the air.

Daylight dawns.

By afternoon the big top,
Gone – for another year.

THE CIRCUS

Section A

Circle the best word to match the writing.

Darkness

1 **comes.** **arrives.** **falls.** **drops.**

The show starts inside the

2 **hall.** **tent.** **field.** **big top.**

The acrobat steps across the high

3 **bridge.** **ladder.** **wire.** **ring.**

The clowns

4 **tumble** **fall** **dance** **run**

across the ring. The jugglers make us

5 **laugh** **clap** **gasp** **shout**

by shooting their coloured balls in the air.

1. The clowns were dressed in red, green, yellow and?

pink

blue

purple

black

2. Who steps across the high wire?

clown

acrobat

juggler

animals

3. When did the big top leave?

by morning

by afternoon

by evening

by night

4. How can an acrobat sparkle?

Wellbeing activity

Brain Break Breathing

Rainbow Breaths

Stand with your feet shoulder width apart, arms gently resting by your sides. Slowly raise your arms and take a deep breath in. Try to breathe in until your hands reach each other over your head. Breathe out slowly while lowering the hands. Visualize the beautiful rainbow you are making. Repeat 5 - 10 times. Each time you breathe in imagine you are adding another color to your rainbow. What colors are you adding to your rainbow? Once your rainbow is done slowly open your eyes.

Brain Break Breathing

Waves on the Ocean Breaths

Lie back gently on the floor with your feet out in front of you. Place your hands on your stomach. Breathe in through your nose and feel your hands rise up. As you slowly exhale, feel your hands go back down. Pretend that your stomach is waves in the ocean and your hands are a sailboat. Each time you breathe in the sailboat goes up on the waves and each time you breathe out the sailboat goes down on the waves. Repeat.

Maths: Find change

Mark these correct or incorrect:

1) $70 - 45 = 45$

2) $45 - 41 = 0$

3) $95 - 65 = 30$

4) $50 - 15 = 45$

I Do

Dora has 80p she wants to buy this 20p Van she gives the shop keeper 30p. The shop keeper gives Dora 10p change.

Dora goes to the charity shop.

The calculation is:

$$30 - 20 = 10$$

Dora has 50p she
buys a cake for 41p.
She pays the shop
keeper with her 50p.
What is Dora's
change?

Have a think

Lala has 20p. He sees these crayons for 7p.
Does he have enough money to buy them?

Which method would he use to work out
his change?

$$20 + 7$$

$$20 - 7$$

$$7 + 20$$

$$7 - 20$$

Rashad has £10 he wants to buy a £4 cap. Does he have enough money?

Which method is he going to use to calculate his change?

What is his change?

$$10 - 4$$

$$4 - 10$$

Reading

Walking on the High Wire

- 4 Each step I take,
8 I shiver and shake.
13 My knees begin to quake.
19 No tiny slip can I make.
24 Walking on the high wire.
28 Slowly forward I go.
33 I hear cheers from below.
39 With each tiny step I know,
47 I will be the star of the show.
52 Walking on the high wire.
56 My heart beats fast.
61 How long can this last?
67 A few more steps go past.
74 I feel the hopes of the cast.
79 Walking on the high wire.
84 I am not sure how
89 But I've made it now.
94 Wiping sweat from my brow,
99 I take a satisfied bow.
104 Walking on the high wire...
109 Tomorrow could be ever higher.

Quick Questions

1. What does the performer do when she reaches the end of the wire?

2. **My knees begin to quake.**
What does the word **quake** mean?

3. How does the high wire performer feel as she walks along the wire?

4. How do you think the poet will feel tomorrow?

Circus Acrostic Poem

Writing

Create a poem. Use previous lessons and the word mat to help you.

Wellbeing activity

I am strong.

Think about four occasions you have shown strength in some way. Remember we all have inner strength as well as physical strength.

1. _____
2. _____
3. _____
4. _____

Do you think we should always remain strong and never show weakness? Reflect and record your personal thoughts in the thought bubble.

Friday
29.01.21

Maths – Word problems

We have come to the end of our money topic. Try your best to answer the questions on the next slides. Let your teacher know how you got on using your class email.

Good Luck!

Money Word Problems

LO: I can solve word problems involving money.

1. Janet buys 2 pens for 34p each and a rubber for 22p. How much does she spend?

2. Alex gives one friend 35p and the other 45p. He is left with 40p. How much did he have to begin with?

3. Hamed buys some apples for 76p and pears for 49p. He pays with a £2 coin. How much change does he receive?

4. Tomas is given 65p by a friend. He now has £1.08. How much did he have before his friend gave him some money?

5. Alma has three 50p coins. She buys two bottles of water for 62p each. How much money will she have left?

6. Nura has four coins. She has 77p. What coins must she have?

7. Ian spends 43p on a packet of crisps and £1.08 on a drink. He gets 19p change. He gives the shopkeeper 3 coins. What were the coins?

healthy snacks				
orange juice 25p	water 60p	apple 15p	milk 27p	orange 17p
banana 29p	cereal 43p	yoghurt 28p	carrot sticks 15p	toast 32p

1) Calculate the change that should be given for the following items when paying with 50p.
Show your working out.

a) cereal

b) an apple

c) 2 oranges

Reading – The history of circuses

The History of Circuses

11 A circus is a travelling group of people who put on
20 shows. They often perform in large tents and travel
29 from place to place with their show. Philip Astley
39 created a circus in 1768. At the circus, there was
46 horse riding, clowns, rope dancers and jugglers.
54 When the circus became more popular, they often
62 took place in buildings which were made from
70 wood. The first travelling circuses did not become
78 popular until the early 19th century. Circus groups
88 began to use large canvas tents known as 'big tops'.
96 They soon became popular in many places around
107 the world. Lots of people still go to the circus to
109 this day.

Quick Questions

1. Who created the first circus?

2. What does the word 'popular' mean?

3. Why do you think circuses started to travel from place to place?

4. Number these facts from 1 to 3 to show the order that they appear in the text.

Circus groups started to use large tents.

The first circus showed horse riding.

Circuses took place in wooden buildings.
