# Day 3 – Curriculum – PSED – Feeling angry

Today we are going to talk about our feelings. Our focus will be on feeling angry. Use the following slides to talk to your child about feeling angry.

# How Are You Feeling?

We have lots of different feelings every day. Sometimes the feelings feel good and sometimes they feel bad.

When you get a feeling, try to name it and then decide what you can do with that feeling.

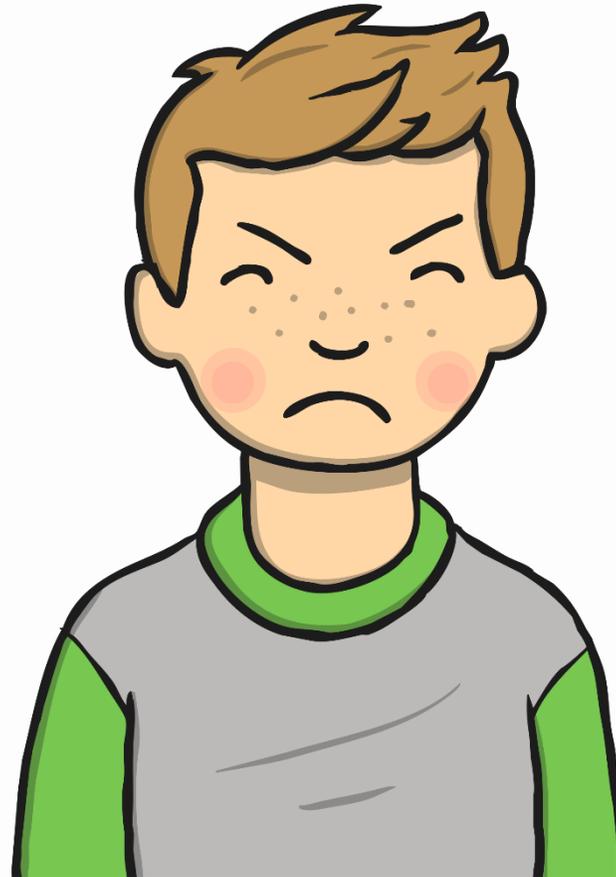

# Feeling Angry

When you are feeling angry, you feel very cross and mad.

Feeling angry is not a nice feeling, but we all feel angry sometimes.

It's a feeling that might makes you want to bash things or shout.

# Feeling Angry

You might feel angry when...

you don't  
get what  
you want

somebody  
annoys you

you don't  
win

you are made  
to do  
something that  
you don't want  
to do

What makes you feel angry?

# Feeling Angry

This child is feeling angry.

What do you notice about his face?

# What Can You Do?

There are lots of things you can do if you are feeling angry.

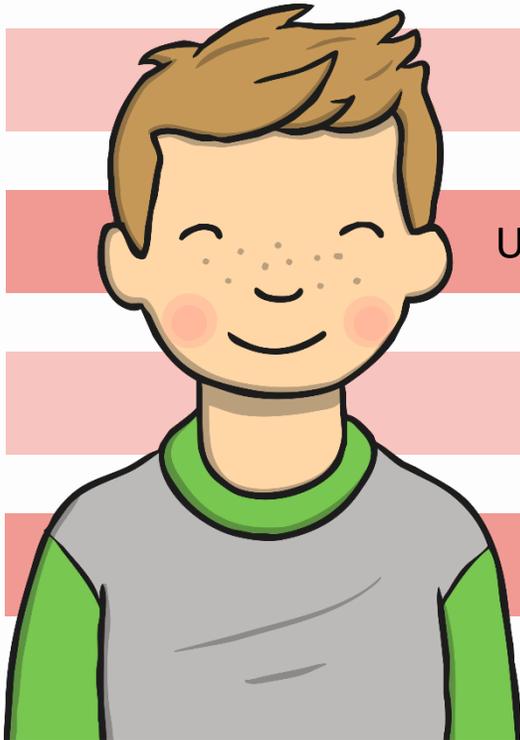

Find a soft pillow to squeeze your anger away.

Take three deep breaths.

Use your words to say why you are angry.

Count to ten.

Move away and have some quiet time.

## Day 4 – English - Story

This week we are reading the story Farmer Duck. You can listen to the story using the link below.

<https://www.bbc.co.uk/cbeebies/radio/story-time-farmer-duck>

Encourage your child to join in with some of the repeated phrases such as "How goes the work?" and "quack".

How did the duck feel?

Why were the other animals upset?

Encourage your child to speak in full sentences.

Can you draw a picture of the duck working on the farm?

Send your ideas to Miss Goodwin

## Day 5 – Heavy and Light

We are learning to use the words heavy and light.

Encourage your child to find objects around your house and decide which one is heavier and which one is lighter.
