Week commencing 24/5/21

Curriculum Home Learning

Monday - Free
Write -
IMAGINATION!

Tuesday - PE

Wednesday - PSHE

Thursday -
Handwriting

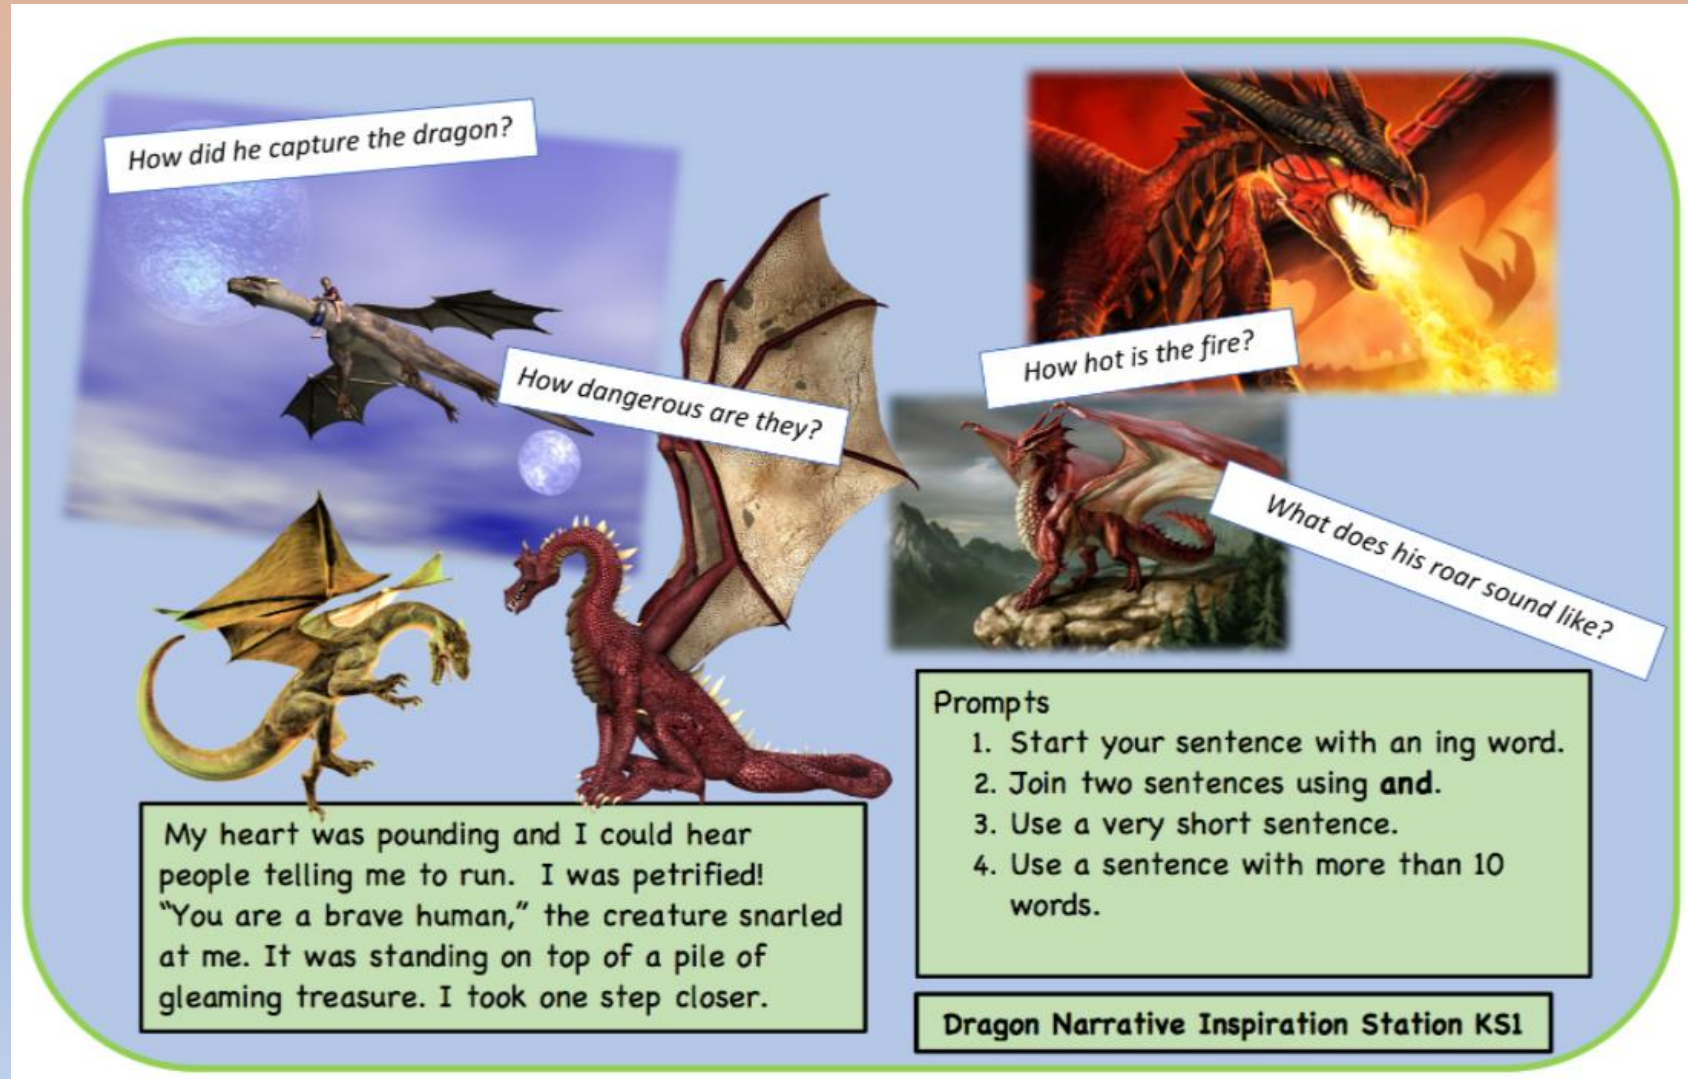

Friday - Art

Monday - Free Write

Look at the picture. .

- What can you see?
- Where is this place?
- Who lives there?
- Are they friendly?

In your home learning books write a story about what you can see and use the questions to help you.

How did he capture the dragon?

How dangerous are they?

How hot is the fire?

What does his roar sound like?

My heart was pounding and I could hear people telling me to run. I was petrified! "You are a brave human," the creature snarled at me. It was standing on top of a pile of gleaming treasure. I took one step closer.

Prompts

1. Start your sentence with an ing word.
2. Join two sentences using **and**.
3. Use a very short sentence.
4. Use a sentence with more than 10 words.

Dragon Narrative Inspiration Station KS1

Tuesday - PE

It is important to stay active when you are away from school.

Here are some ideas for you to do.

Can you think of your own ideas for keeping fit in your home and garden?

Keeping fit and healthy.

Make an obstacle course in your garden.

Create a circuit of different activities.

Follow you tube dance videos such as KidzBop

Joe Wicks 5 minute Move: Kids workout.

[5 Minute Move | Kids Workout 1 | The Body Coach TV – YouTube](#)

A circuit for you to try:

Start with gentle stretches to warm up your body.

Curl down small into a ball and slowly uncurl your body until you are stretching your arms up to the ceiling or sky.

Jog on the spot for 2 minutes.

5 star jumps.

5 cross over leg moves. (Put 1 leg in front of the other and touch the floor with 1 hand then do the same on the other side).

High knees for 2 minutes. How high can you get your knees up towards your chest?

Repeat this circuit 3 times if you can.

Wednesday - PSHE

- We are learning about how to keep safe in PSHE this half term.
 - Today we are going to think about how to keep our animals and pets safe.
 - We also need to think about how we keep safe around our pets and other animals.
 - Read the information and think about a pet you might have or like to have.
 - Draw a picture in your home learning book and write sentences explaining how you can keep your pet safe and happy.
- 

Caring for Animals

Animals need a lot of care. Once we have a pet to look after, we are responsible for it being healthy and happy.

Remember to:

- Always wash your hands when you have handled a pet. They have germs on their bodies which can make people very poorly.
- Always use special cleaning products when you clean out an animal's habitat.
- If your pet starts behaving in a different way or stops eating or drinking, take your pet to the vet as soon as you can.
- Enjoy looking after your pet!

Thursday - Handwriting

Today we are going to be practicing joining

Thursday - Handwriting

Practice joining the letters in your home learning book.

Friday -
ART

In Art this week we are continuing to learn about sketching.

Sketching is where we draw an object or a person or place using different tones.

In Art tone is the lightness or darkness we use to add detail to our drawing.

Think about the sketching techniques we practiced last week.

There is a reminder on the next page.

Here are some sketching techniques for you to practice in your home learning book.

Hatching

Contour Hatching

Crosshatching

Look carefully at this sketch of Rapunzel.

Can you see the different sketch techniques that have been used?

Copy this sketch into your home learning book.
