## Task:

Create your own hospital using junk modeling. Follow the steps in the online lesson to help you.

Day 4 - Rubbish collectors

# What do Rubbish Collectors do?

- Move bags, wheelie bins and recycling bins and boxes.
- Use a lift to tip the rubbish from bins into the lorry.
- Crush the waste.
- Guide the driver safely around the streets.
- Drive the lorry.

Today we would like you to watch an episode of come outside on YouTube.

This episode will teach you all about recycling and where rubbish goes once you have thrown it in the bin.

# Dentist

Can you look in the mirror and count your teeth?

Don't forget to brush your teeth every morning when you wake up and then again before you go to bed.

Thank you for taking part in our dentist lesson.

There is no need to send any work to your teachers today.

Enjoy your weekend!
