## Day 2 - Firefighters

Today we will be learning all about Firefighters.

Do you know what a Firefighter does?

Lets find out more.

- Firefighter:

- Firefighters help protect the community in emergency situations
- They put out fires
- Firefighters are called to assist at crashes
- They respond to a variety of calls

Can you imagine that :

Let's watch the video below to find out more  
about Firefighters.

Day 3 - Today we are going to create some handprint Firefighters.

You will need a grown up to help you.

# Handprint Firefighters

## Supplies

- Selection of paints
- Paint brush
- Felt tip pens
- White paper or card

# Task:

1 Print a handprint into the middle of the paper with the fingers spread out. Then leave to dry.

4 Now give the firefighters a hose! To do this, paint a line along the middle of each finger to give the impression that the firefighters are holding the hose.

2 Now make some faces for the firefighters. To do this place a thumb print onto the top of each finger, then leave to dry.

5 Use some blue paint to paint some water droplets coming out of the end of the hose.

3 Using a little finger, add a finger print on the top of each face to form the firefighter's hats. You may want use a thin brush to add a rim to the hat. Then leave to dry.

6 Add detail to the fire hats using yellow or black felt tip pen.

7 Using a black felt tip pen, draw features onto the firefighter's faces.

Don't forget to email your work to your teacher!

- [rc@hortongrangeacademy.co.uk](mailto:rc@hortongrangeacademy.co.uk) – Miss Goodwin

Ask your adult to read the lyrics of the song and see if you can learn some of the lyrics.

I'm a firefighter,  
brave and strong.  
Climb up the ladders,  
They're so long.  
When I see a fire,  
Hear me shout,  
Use the hose and put it out.  
(sing to the tune of I'm a little teapot)

You can even record a short of video of yourself singing the song and send it to your class teacher.

Don't forget to email your work to your teacher!
